

“The highest morality may prove to also to be the highest wisdom when the half told story comes to be finished.”

- Bro. Arthur Conan Doyle

October in Review:

Reunion Brunch: our recent brunch was an amazing success, with brothers we all see regularly, and some we’ve not seen in a while. We’re looking forward to seeing even more brothers at the next one.

Annual Communication: Our officers and a number of additional brothers traveled to San Francisco to represent Glendale Lodge and will be bringing us back news from the Grand Lodge and our brethren across California.

Upcoming Events

Stated Meeting: With only 2 more stated meetings left in 2016, we look forward to seeing you all as we wrap up the year, and plan our path for 2017.

OSI: Tuesday the 22nd we are hosting an OSI for the district, covering installation. Installation is one of the very few public rituals of Freemasonry, and a chance to share with our families who we are, and how our craft and ritual embody our values. We welcome all brothers of all degrees to come witness and participate in the installation practice.

Christmas: Brethren, Christmas is around the corner. Our lodge will be dark in December, after the stated, to allow us to spend time with our families and our faith to celebrate and spend time together. We look forward to seeing you all on December 6th to celebrate our last stated, before spending the rest of the month with our families.

Children’s Christmas party: Even though the lodge will be dark in December, it is impossible for us to skip one tradition that we have been doing for a long time. Our children are the future and it is important for us to make sure we appreciate what might the future of our lodge. We will gather together in the lodge on December 17th for the children’s Christmas party. More details will be coming soon so make sure to mark it on your calendar.
